

WELCOME TO

unibask

**Unibask Technologies
Private Limited**

**The Agency That Sets The
Marketing Bar & Continues
To Raise It.**

Who Are We:

Unibask is Eastern India's most trusted Digital Marketing and Website & Application Development agency which connects growth-focused brands with their target audiences through customized digital experiences and strategies.

Our rigorous operational framework, bespoke teams, and full-service approach create powerful force-multiplier effects for our partners.

Through Paid Media Advertising, SEO, Email Marketing, Lead Generation and Conversion Rate Optimization, we accelerate the growth of our 188+ clients in multiple domains.

Simply put, we're able to squeeze more ROI from your marketing channels because we always experiment with better ways to get things done.

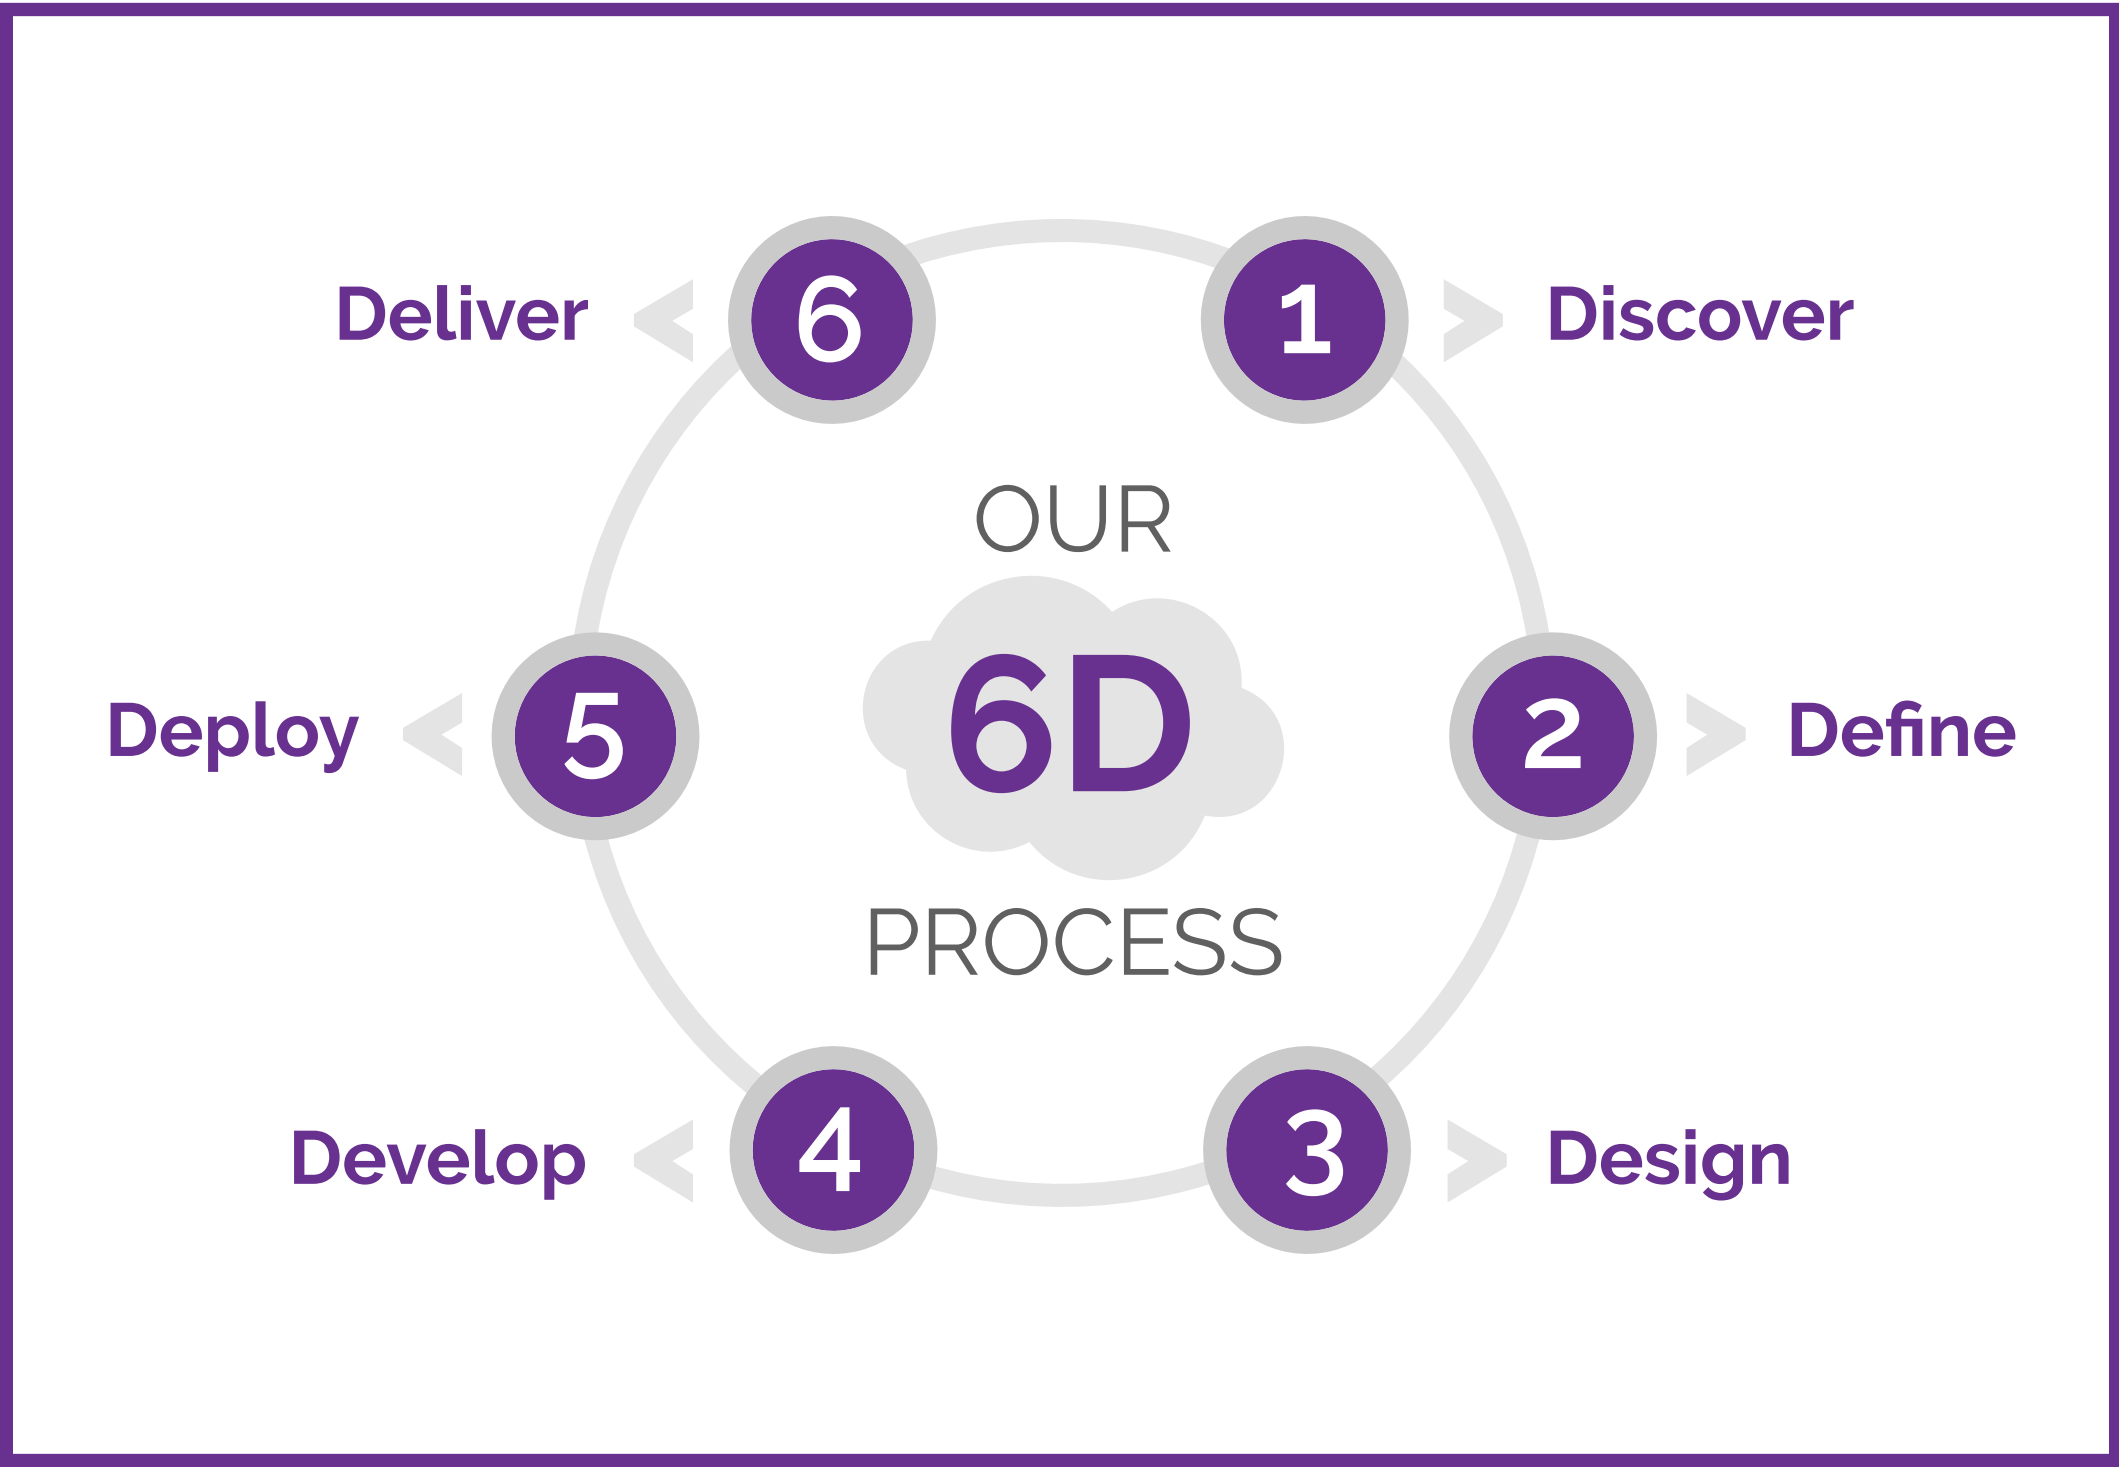

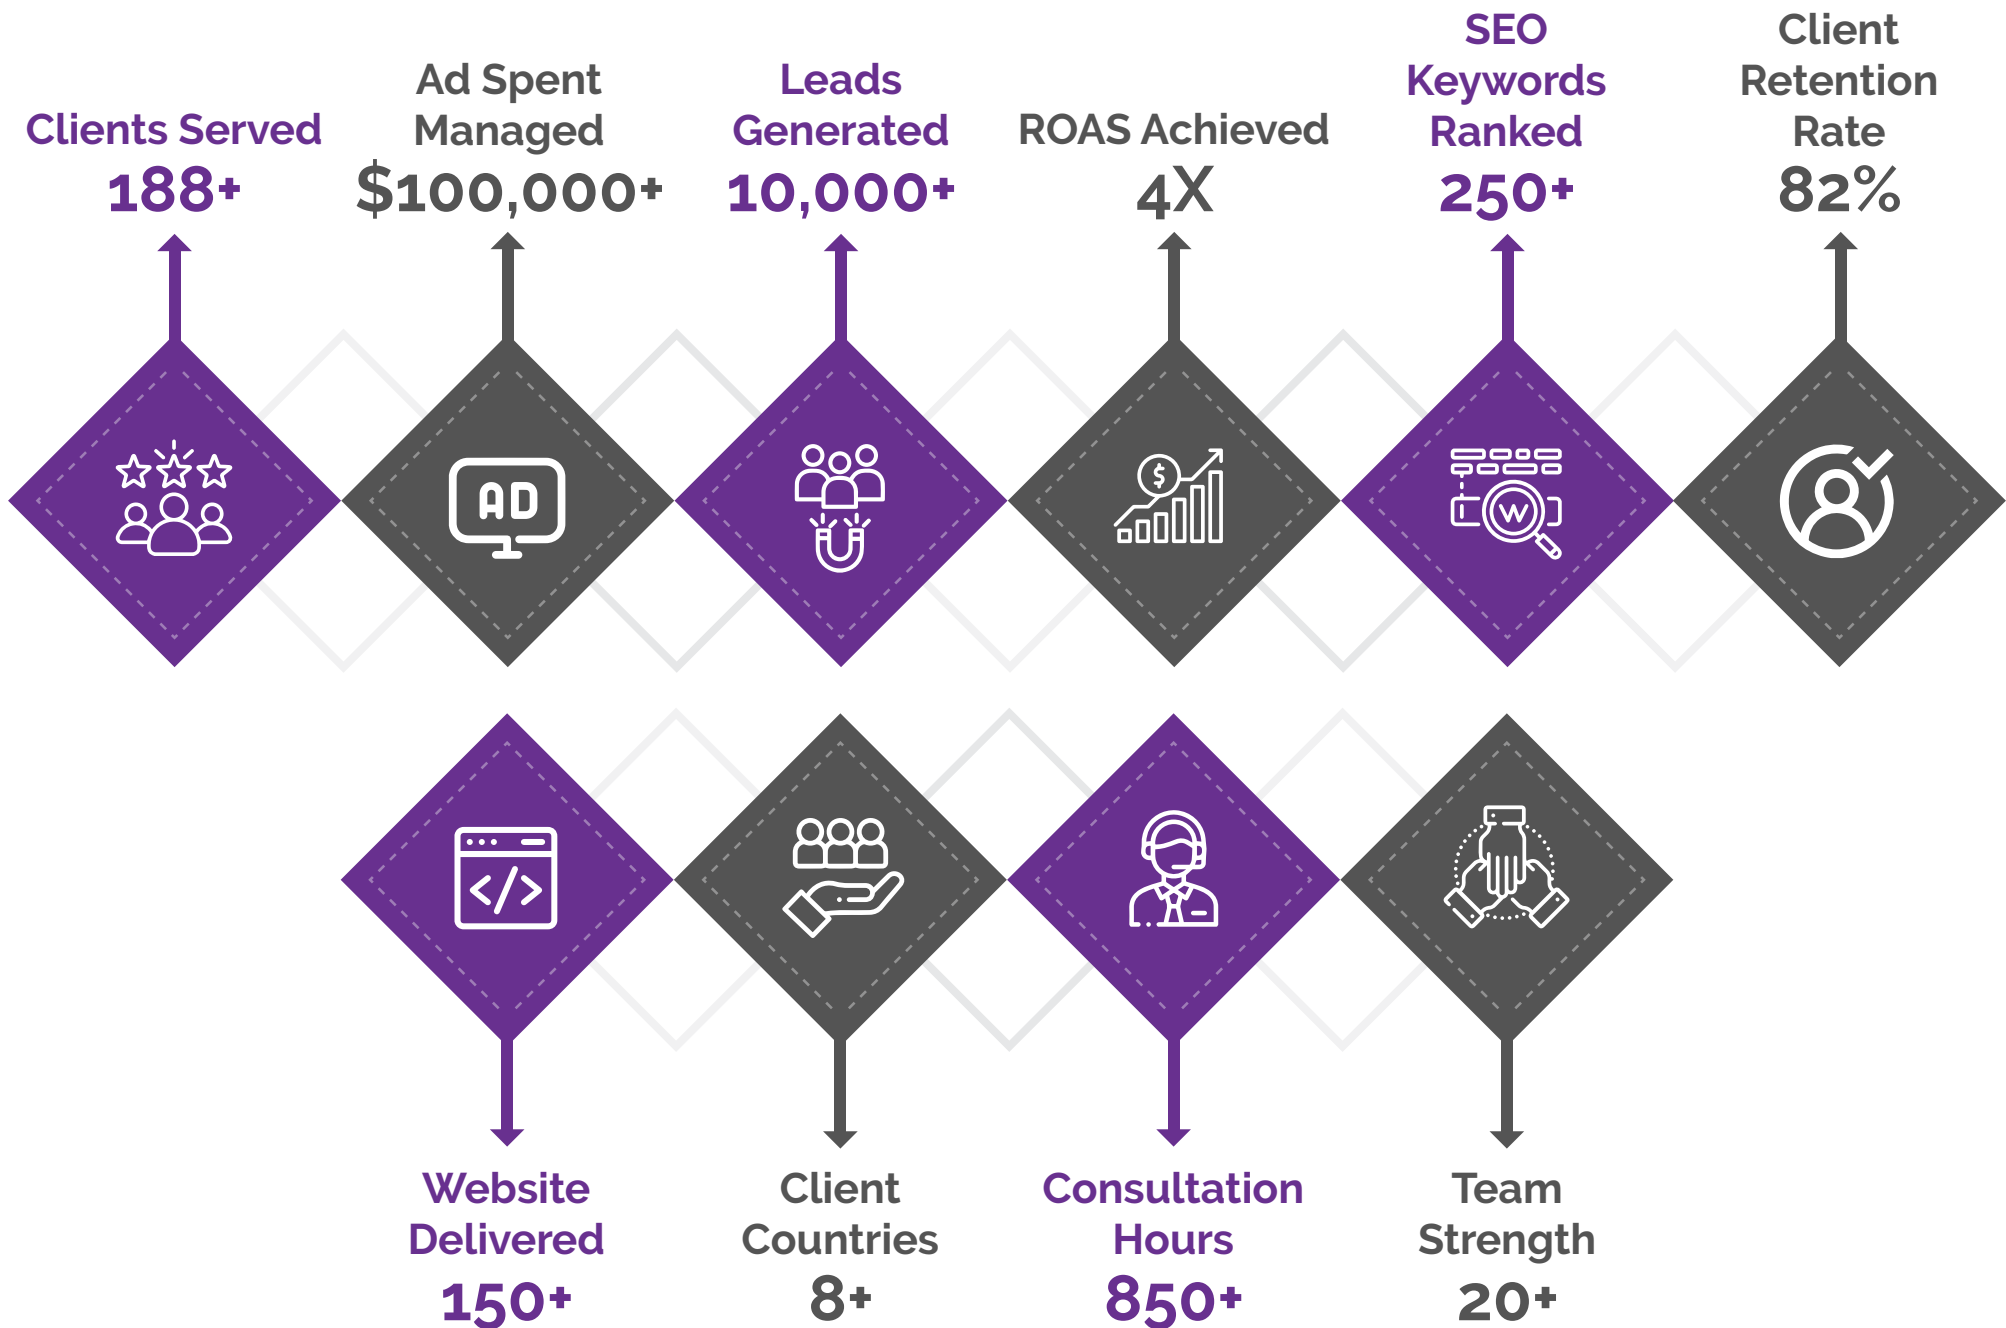

A Little Bit Of Company History

From Hustling on Craigslist, to working with Billion-Dollar Companies, we didn't get here by accident. We put in the time to work on our craft with a focus of making progress every day.

We started with only two members and today we are a team of 20+ experienced professionals working day and night to deliver our clients. Client satisfaction is our ultimate goal.
